EO 25-003 Replacement of Handles

Description of modification:

With this Engineering Order 25-003, the two existing handles near the sliding doors are replaced with new ones (Figure 1) for cosmetic reasons.

The installation of the new handle assy 25-003-103-000 is a simple 1 by 1 replacement as all dimensions for fitting the new handle are identical.

Figure 1– New Handle (front and side view)

Effectivity:

EC135 T2/P2, T2+/P2+, T3/P3 (CPDS), T3H/P3H, S/N 337 and up

Work planning:

Installation of Tablet Holder LH and RH
